## WORK EXPERIENCE

**Ministry of Information, Youths, Sports and Internal Affairs (for NYSC) 2017**

I completed my one year compulsory national youth service in this government ministry.

I served as the data manager in the data center of the ministry, where I was responsible for data entry and archive maintenance and also maintaining and troubleshooting of the department's Wi-Fi Router

**Network Operating Centre – University of Ilorin (NOC) 2015**

- Networking Skills (Sub netting and Basic network design).
- Deployment and maintenance of 5g and 2.5g Access point
- Point to Point Communication

**Network Operating Centre – University of Ilorin (NOC): Intern 2014**

Kwara Resource Centre is an organization set up to train individual interested in IT to acquire skills in areas such as Project management, Database, Networking and Web Development. During the course of my internship at KRC.I acquired the following skills.

- Networking Skills (subnetting and basic network design).Observing and Troubleshooting of the schools network.
- Installation and maintenance of network equipment.
- Networking Skills (subnetting and basic network design).
- Web development (HTML and CSS3 & Bootstrap).
